We are the Masters of the Future
We are the Lords of our Destiny
We are the Epitome of our Culture
We are the Future of Mankind

Now is the time for us to take up our **Responsibility**
And to assume the role of world **Leaders.**
We must bring in to play our **inexorable intelligence**
For we must **persevere** over the threat of Ignorance.
Our **Dedication** must be to the advancement of mankind.
Our Loyalty to this dedication must be unwavering, for
If we fall, none can take our place.

Harken my companions to the message of the fates, we must assume our roles as Protectors, and not be late.

In the world we live in, the troubles seem to be escalating, but we can change that state of affairs.

We must take up our Responsibility as Leaders of the world, and strive with inexorable dedication for the advancement of mankind.

We must lift our heads high with pride and show the excellence inherited in each and every one of us.

We must be dedicated to the uplifting of all those fallen.

We must set an example of Excellence, and let our prestigious role stand clear for all to see. And no matter what obstacles we face, our perseverance will see us through, and our ingenuity will be its ally. Our initiative must be to evolve our culture like no other before us for we are . . .

81 of a Kind, The future of Mankind!

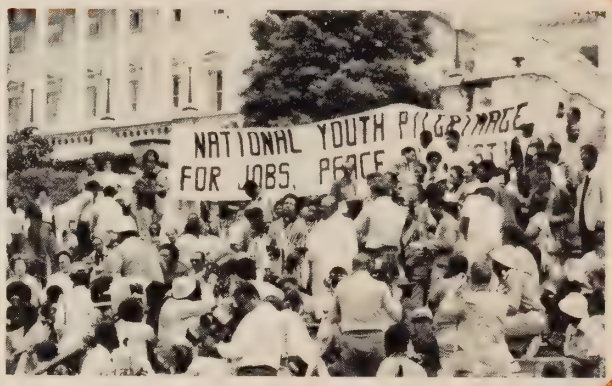
INSTITUTE FOR POLITICAL AND LEGAL EDUCATION

May 17, 1980
P.H.S. students participated with Grant Ave. Community Center in The National Youth Pilgrimage sponsored by Operation P.U.S.H. It was held in Washington D.C. The purpose was to dramatize the need for Youth Employment.



Academic Feature

LAW AND POLITICAL ACTION CLASSES

Plainfield High School's Law and Political Action classes, in their (3rd) third year of existence is the only academic course in the school which offers students "hands on" or experience based instruction in Law and Political Action. Students participate in many government and school/community functions, in addition to their classroom instruction.

Through Voter Registration drives the students have registered over 500 eligible Plainfield High School students, staff, and community residents since the program's inception. They assist the League of Women Voters, NAACP and sponsor their own Plainfield High School Voter Registration Drive.

They volunteer to work in Democratic and Republican local headquarters to gain 1st hand experience on how grassroots politics works.

Leadership skills are developed and Law & Political Action students are encouraged to apply their political knowledge by running for school offices. To date more than (7) seven students served as student council officers & class officers. Two of these interns were selected to attend the Congressional Seminar and represent their school in Washington D.C. Several of these students have won school and community awards such as the Prestigions Principal's Award, Ronald H. Lewis Scholarship Award, Frontiersmen Service Award and many more.

To sharpen their skills and understanding about Law and Government, students and teachers attend three Workshops and a Week-end Model Congress where they must research their own bills, present topics of Legislation and effectively lobby to get bills passed. This competition involves High School Students and their teachers from all over the State of New Jersey. At the Stockton College Model Congress, Law & Political Action students from Plainfield High School were nominated for awards and given special recognition by our Board of Education for their achievements in the program

IPLE students also intern at Local and County Level government offices two hours per day, four days a week at least (3) three months during the school year. Through these experiences interns have received summer jobs and many commendations from the City Administrator, City Council Members, the County Prosecutor's office, etc.

From these valuable experiences, the students still find time to attend Board of Education meetings, City Council Meetings, as well as other School and Community functions. The class recently recognized Rev. Jesse Jackson, President of Operation PUSH, for his service and commitment to Youth in the PUSH for Excellence Program. When Rev. Jackson came to Plainfield the IPLE students acted as ushers in addition to presenting the award during the program.

Because of the success and interest of the Law and Political Action Program, the class has grown from (17) seventeen interns to (40) forty students with over (80) eighty freshman Practical Politics students who also work with the Junior and Senior Law & Political Action students in many of their activities.

Commendation for the Law & Political Action Program

RESOLUTION

WHEREAS, the Board of Education has endorsed the Law & Political Action Program that is conducted through the Plainfield High School Social Studies Department, and

WHEREAS, the Law & Political Action Program provides participating students with opportunities to learn through an internship program that currently has 27 students placed with county and local governmental units, and

WHEREAS, twenty-six Plainfield High School students in the Law and Political Action Program participated in the 11th Annual Institute for Political and Legal Education's Model Congress held on March 28, 29, 30, 1980 at Stockton State College, Ocean City, N.J., where students actively prepared and participated in the development of legislation, caucusing, politicking, and parliamentary procedures, and

WHEREAS, four Plainfield High School students were nominated for awards as a result of their participation, now therefore be it

RESOLVED, that the Board of Education give special public commendation to the students of the Law & Political Action Program at Plainfield High School for its educational value to the students, to Plainfield High School and the community, and be it

FURTHER RESOLVED, that Mrs. Gloria Taylor, Social Studies Department Supervisor; Mr. Paul Pannone, Law & Political Action Program Teacher, and Mr. Seymour Marsh, Social Studies Teacher be given special commendation for their continuing efforts to provide Law & Political Action Program students with a quality educational program which brings credit to Plainfield High School and the City of Plainfield.

The English Department services the entire student body many times over because of the very nature of its composition. The English Department is a triune with English, Reading, and the Library its components.

To meet the multifarious needs and interests of this student body, the department offers courses on the various educational plateaux and encourages electivity according to the student's academic interests and needs. The department expends additional energy in courses underscoring Basic Skills — Language Arts, RICCOM, and Reading in Content Areas.

The Elizabeth Chitty Library and the Ninth Grade Library house materials for research and leisure reading.

1. Four-year sequentral programs are offered in two modern languages i.e., French and Spanish. In addition, the Language Department offers semester courses for beginning students in both French and Spanish. A two-year sequential program in Latin is offered for students interested in a classical language.
2. The students enrolled in modern language classes have the opportunity to practice and develop their audio-lingual skill in the language laboratory one period a week.
3. Furthermore, the Language Department offers a complete bilingual program in all the academic subjects for Spanish-speaking students who, because of a language barrier, cannot work well in regular English classes.
4. The vocal and instrumental programs are also affiliated with the Language Dept. Voice Culture, Chorus, Music Theory and Band are the subjects taught in the music programs.

The Special Education Department Supplements the school by providing specialized curriculum and teaching for students needing additional or different instruction.

By concentration on a student needs to improve academic, emotional, physical, or social levels the department can give the best type of education.

Resource rooms, tutoring, small classes, and unique methods make this department a real asset to the high school.

The Social Studies Department offers courses for Plainfield High School students in grades 9-12. We have a department of 17 teachers who teach Practical Politics, World Cultures, Afro-American History, Psychology, Economics, United States History I & II, and Social & Cultural History. A special program is offered, for students interested in the Legal or Political process called the Law and Political Action Internship. Students are involved in a Statewide Model Congress, where students and teachers throughout the State of New Jersey participate in a three day student run version of Washington politics. The class also attends four statewide seminars conducted by the Institute for Political and Legal Education. A unique feature of this program is the internship in Local and County government offices.

The Social Studies Department also participates in a Youth Employment and Training Program where students are instructed after school in Career and Employability Skills and placed on jobs in community agencies. This is done as an incentive to keep students in school and offer them Labor Market Orientation/Counseling.

The Mathematics Department offers a program which provides the opportunity for students to participate in a traditional high school mathematics program through calculus. Students who successfully complete the calculus course are eligible to apply for advanced college placement. A general mathematics course is available for those students who do not plan to attend college. In addition, a program especially designed for the students who are deficient in basic skills exists on all grade levels.

The mathematics program is designed to be flexible enough to allow students to move from one sequence of courses to another, depending upon their abilities and needs.

"The Commissioner's Corner"

On February 17th, Sylvia Montes and Eric Plummer accompanied by Mr. Seymore Marsh represented Plainfield High School on Commissioner of Education Fred Burke's half/hour New Jersey Public Television Program, "The Commissioner's Corner."

Some of the topics discussed were career oriented classes in the high schools, problems teenagers face during their high school years, and ways in which the communication gap between students and their parents and teachers can be broken.

Some of the other schools that participated in the events were Trenton Central High and Ferris High of Jersey City.

A Fond Farewell

Madame President and the Graduating Class of '81, I extend to you my most sincere congratulations. Most students spend 4 years at Plainfield High School, yet I was one of your rare repeaters. I stayed for 9 years and I loved every minute that I was at PHS, just as I really love all of you. I too was educated at PHS during those 9 years I was there, not only in academics, but also by going to dances, sport events, assembly programs, bake sales and just being there in general and being a part of your problems and interests. Believe me, it was hard for me to accept the position at the Board of Education. I'll never be sure that I made the right decision. I've missed you all!

A Day

To Remember

As the end of the year rolls in, we flash back to the many encounters the years have brought.

We look back to the **time** when Algebra, Chemistry and other complicated courses were not understandable and the joy of finally mastering them.

We look back to the **togetherness** of the teams, the team spirit, the victories, and the losses.

We look back to the **times** of **being** a part of the school, being able to take a stand for and against, and being able to make something out of the school.

But now it's time to make more advancements in life and to make more achievements. The time has come to venture out into new branches of life and to cultivate ourselves.

Experiences of the past can be used for the good of the future; to aid us in becoming a more responsible and capable person.

Now is the time for us to look forward.

Out Reach

The Outreach College Guidance Club began its 11th year of operation in September, 1980.

The Outreach College Club is opened to Juniors and Seniors in high school. The specific purpose is a complete orientation to assist students in getting accepted into college or vocational schools.

Participating members are assisted with application mechanics, financial aid and scholarship information. In addition, the students benefit from waiver of SAT and application fees. Speakers from colleges and industry regularly addresses the Outreach Club about college and career opportunities.

Since the inception of the program, over 500 Plainfield High School students have been directly placed in college by the Outreach Program.

L to R: Michelle James, Patti Thomas, Teresa Pearyor

The students in the program regularly tour a college during the Spring break and visited Morehouse College in Atlanta, Georgia in 1980. Students actively raise money through raffle sales, disco, soul food dinners, fashions shows and car washes.

The Outreach Club is under direction of William Gary, School Social Worker. Other volunteer teachers from Plainfield High are Curtis Cook, William Terry and Pat Paylor.

Henry Rudge addresses the Outreach Club at the Nabe.

Police Explorer Post #118

Plainfield Police Explorer Post #118 (BSA) is sponsored by The Youth Section of the Plainfield Police Division. It meets twice monthly at police headquarters. The post participates in various training and community service activities. Its purpose is to interest and advise young people about occupational opportunities in Law Enforcement.

In the past year the post gave almost 400 man hours to such community projects as Crime prevention displays, Police Div. Christmas program, disaster training. While participating in the 1980 Central Jersey 4th of July parade they won first place for their class of entry.

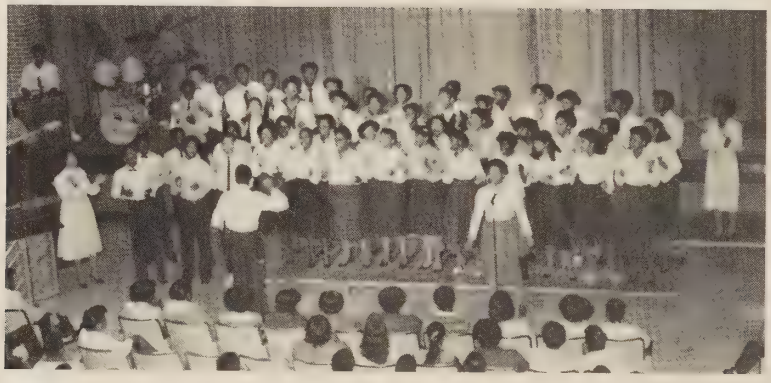
Gospel Choir



The Plainfield High School Gospel Choir was formed in March, 1980 when Andrew White and a few of the other students asked Mrs. Carrie Hollis and Mrs. Doris Gray to be the advisors of a gospel choir that they wanted to form. The principal, Mr. Thompson approved, so, the gospel choir began: 43 strong!

We were asked to participate on the Spring Concert and both the student body and the faculty gave such an overwhelming response to our performance, we decided to ask for a date for our very own concert. The date we selected was November 22, 1980, just before Thanksgiving, because we were so very thankful that we were able to have a gospel choir. At the time of the Thanksgiving Concert we had 70 voices. But after that concert, we were flooded with requests to join the choir so we asked for new members. As of January, 1981, we have 100 voices!!

On January 15, 1981 we were invited to sing on the Martin Luther King, Jr. program here at Plainfield High School. The response was again, very positive. A disc jockey, Arthur Bailey III from WERA, heard us sing at that program and invited us to come to the studio to be interviewed over the radio. The program was aired on January 25 at 2:00 p.m. He has the only gospel program on WERA.

We've been asked to sing on numerous programs and invited to give concerts. We gave a concert on January 17 at Maxson School for the benefit of the Maxson School cheerleaders. They needed new uniforms. The program was a success. They sold tickets and raised quite a bit of money.

Now, one year has gone by and we are planning for our 1st Anniversary Concert. It will be held on Saturday, March 28, 1981. We're looking for great things from the gospel choir; Plainfield High School really has something to be proud of!

can interfere with meeting our Milestone deadlines! This positive attitude permeated the staff.

Under the able leadership of Editor-in-Chief Lenwood Bulford, Milestone workers did not hesitate to make "house calls" to shuffle materials back and forth or to work late into the night. Layout Editor Lynne Jarmon was a bundle of nerves until designs met her approval. Eric Plummer, feature editor, and Marcus Bond frequently did double-duty when pressed into service as Milestone Taxis, Inc.

The Senior Section had few difficulties, due to much prior experience in the person of editor, Adamo Uzcatequi-Gaymon.

Many eighth period study halls were donated to the cause by Copy Editor Majeeda Haqq and her staff. Another familiar scene, often between 4 to 6 p.m. was Art Editor, Susan Wormley, weary from track practice, exchanging ideas with Darryl Bradshaw, and Tyron Richardson, who had returned from Union County Vo-Tech. Solely for Milestone purposes.

Without the help of a dedicated group of juniors, led by Joyce Rosa and Derek Young, we probably would have had difficulty meeting a few deadlines. In addition, not enough can be said about a large group of talented sophomores. Many of them are already skilled enough to become editors. Next year's advisor is fortunate in having a reservoir of eager, enthusiastic Milestoners to work with.

I shall certainly miss them!!

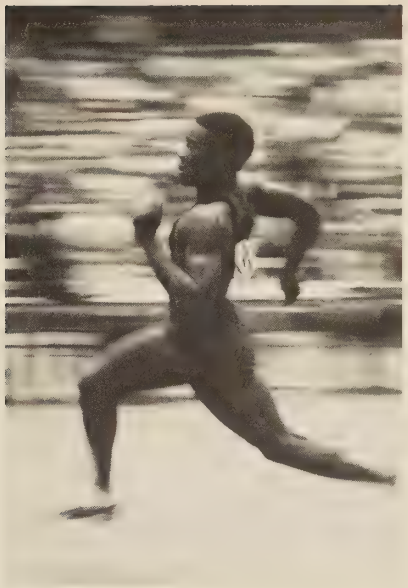
Our American Champions



The Plainfield High School Mens' and Womens' Track Teams captured the CHAMPIONSHIP OF AMERICA, 4 x 400 meter (mile relay) Championship at the 87th Annual Penn Relays.

For the Ladies it was two in a row, as the team of Lisa St. Clair, Wanda Jackson, Tracey Carter and Tracy Nelson, rounded the track in a time of 3:51 to win for the second consecutive year. The Men broke a twenty year drought, as the team of Tony Ashley, Tony Coleman, Dorell Hilliman and John Marshall sped to victory with a time of 3:13. This was the first Union County team to win a National Championship at the Penns since 1961.

Sports

Boys' Baseball

Six returning letterman are the foundation of this year's team, and they are Jeff Johnson, Robert Anderson, Alberto Gonzalez, Chris Sharpe, Carlton Crawley, and Brian Boccher.

Promising J.V. players that will see a lot of action are Todd Holmes (1st base), Ed Chavis (OF), Steve Yarborough (catcher), David Beasley (1st Base-DH) and Todd Strictland (OF). Yarborough, Strickland and Beasley are only Sophomores.

This year's team is led by Jeff Johnson. Jeff had an outstanding year last year making 2nd team All-Union County. He's not only a fine pitcher but also an excellent short-stop. He also hit 340 last year.

This year's pitching staff consist of Jeff Johnson, Robert Anderson, Carlton Crawley and Brian Boccher. Ed Chavis may also get some action in this area.

Todd Holmes: Todd at this point is the starting 1st baseman. He hit and fielded well on the J.V. team last year.

Eddie Chavis: Eddie will be an outfielder this year. He has the potential of being an outstanding ball player.

Chris Sharpe: Chris will play 2nd base this year. He is an outstanding fielder.

Alberto Gonzalez: Alberto is an outfielder and an outstanding hitter. He works hard at the game.

Robert Anderson: Robert will play in the infield as well as pitch and catch. He had a good year last year winning 3 games as a pitcher on the varsity level. He can have an outstanding year this year.

Carl Crawley: Used primarily as starting pitchers this year.

THE GIRLS' SOFTBALL TEAM

The 1980 Plainfield High School Girls' Softball Team was led by 1980 graduate Teresa Jones. Teresa was an outstanding outfielder, leading the team in putouts and assists. The team ended with a disappointing 3 wins and 13 losses record, however, many of the losses were by close scores to many of the areas' stronger teams.

Coach Robinson promises that 1981 team will be a vastly improved and exciting team. Seniors Sharon Banks, who was an Honorable Mention All-Union County Catcher as a Junior, returns as does Charlene McCoy at second base, and Wanda "Ice" Sergeon in centerfield. Senior Ty Myers also promises to be one of the stronger pitchers in Union County. The team plays a very daring, speed-oriented game with lots of bunting and attempted steals.

Underclassmen again figure to contribute heavily to the 1981 team. Juniors Lisa and Lana Lanier will once again anchor the infield at first base and shortstop. Susan Terry, Dawn Parks, Jackie Byers, Paula Echols, Charlene Singleton and Dora Williams are all expected to have outstanding seasons. The year 1981 will also mark the addition of a Junior Varsity Softball Team coached by Mr. Wollman. The team will once again hold its' end of the season awards picnic at Hub Stein Field.

Girls' and Boys' Tennis and Golf

The P.H.S. Varsity Girls' Tennis Team

The 1980 Girls' Tennis Team was one of the strongest teams in our school's history. The record of nine wins and ten losses does not accurately measure this success. Tennis in Union County was never stronger, with powers such as Union, Westfield, Cranford and Union Catholic all ranked among New Jersey's best. The Lady Cardinals scored an impressive team victory over Union with their three undefeated players.

Co-Captain Tyraina Myers set a school record at First Singles, with 14 victories. Tyraina gave Plainfield "first time ever" victories over powerful Union Catholic and Scotch Plains-Fanwood. Alicia Gipson and Co-Captain Heather Faraone gave Plainfield a well balanced singles attack.

Doubles players Cynthia Reese and Gwenn Keaton combined for 10 victories to become one of school's strongest doubles combination.

The Second Doubles team consisted of Ericka Smith and Freshman star Jenny DiMaggio.

At times, this explosive pair was capable of beating almost everyone.

Rounding out the varsity squad were Juniors Sarah Hengel and Becky Reed.

The Varsity Golf Team

The Golf Team this year is comprised mostly of beginning golfers. We have two returning players: Keith Rhoden, senior, and Marino Tavarez, sophomore. Our first year golfers include Seniors Nhan Nguyen and Kathy Reese, and Sophomores Alberto Ortiz and Teddy Farrison.

The team's spirit can be attributed to the fine coaching of Anthony Foti and Mary Ann Lozak. Last season's final record was five and ten. All of our home matches are played at the West Nine, adjacent to the Plainfield Country Club.

Anthony Foti

The Boys' Tennis Team

Although the season for the Cardinal Tennis men was not a winning one, it was one during which the member grew in skills, determination and fortitude. We are still growing because the following Juniors and Sophomores comprised the largest segment: Herminio Estrella, Anthony Williams, Matthew Johnson, Kenneth Pearson, Timothy Jones, Terrence Sterling, Kevin Kelly, Lloyd Vaughan and Anthony Jenkins.

Andrew Blackwell, Ryan Sears, Gorathalay Givens, John Hester and Shan Williams were the promising Freshmen that gave us depth.

The team was captained by our returning Junior — David Sterling.

Coach: Donald J. VanBlake

Football

The 1980 Cardinals were young and represent our future. Eight offensive players who started the Westfield game will return to provide Cardinal Watchers with much excitement this fall.

Our seniors did make outstanding contributions to our season. Co-Captain Kent Montford was selected All-Area Middle Guard and received the Booster Club's Award as football's M.V.P. Eric Plummer finished the season with 901 yds. total offense, a 52% pass completion record, and is being pursued by at least four Ivy League Universities. Other Outstanding seniors:

Chris Cathcart — Averaged 17.3 yds. per reception. Named Offensive Unsung Hero. Received scholarship to Howard University.

Walt McNeil — Averaged 49 yds. per carry. Named Outstanding Offensive Back. Accepted to Bates College, Maine.

Carl Crawley — Averaged 12.8 yds. per reception. Named Offensive Most Improved Player.

Don Dixon — Named Outstanding Defensive Lineman.

Miller Lucky — Named Outstanding Defensive Back.

Carl Wade — Named Defensive Unsung Hero.

John Hargrove — Named Most Improved Defensive Player.

The young Cardinals will fly high in 1981!

Boys' and Girls' Cross Country

Cross Country

Cross Country at P.H.S. is mainly a conditioning period for many athletes. The team consisted of a host of track athletes preparing for the indoor season. Miles and miles are run by our harriers in Cedarbrook Park and on the road of our city.

The Cardinals runners posted a record of 11-3 which is the best season since 1972. This is the 9th consecutive winning season for the Cardinals. John Heany and Jemil Shakir led the Cardinals with support from a strong junior squad of Jeff Johnson, Ludwig Williams and Ken O'Burke.

The captain of our team John Heaney had a strong season. He led the Cardinals to a third place team finish in the county invitational and a seventh place team finish in the state sectionals. He broke the school cross country course record (Cedarbrook Park) in the final dual meet of the season. In the county championship he finished an impressive fifth place. Our nine year winning streak will surely be extended due to our exceptional depths and fine group of young runners.

Plainfield High School's Women's Indoor Track Team had another successful season. Senior co-captains Tracey Nelson and Wanda Jackson led the Lady Cards to a number of Invitational Team victories.

Team Championships won were the New Jersey Women's Track Coaches Association Championship, the Shore Coaches Invitational Relays, and the New Jersey State Relay Championship.

The Mile Relay and Two Mile Relay Teams won the Darmouth open races against other High School and College Teams in Hanover, New Hampshire. Tracey Nelson also won the Women's open 55 meter Hurdles against many top College runners in the East.

Boys' Indoor Track

State champions for Second Consecutive Year, for both all groups and Group 4 Track. This past season parallels last year's track season in many ways. This season saw the Plainfield boys' tracksters repeating wins in the Union County Championships and New Jersey State Championships.

Even many of the names echoed throughout the state are very similar: Marshall, Ashley, Coleman, Hilliman. But this year there were some new names in the limelight like Troy McKoy and Kent Montford.

We are very happy about this season mainly because of the improvements made by most of our younger athletes. This will enable our team to have a quality program. All things being equal and with a little help from a force greater than all of us, we'll be able to repeat this kind of record next year.

The 1980-81 Lady Cards won its X-mas Championship for the third year. They continued their dominance in the *Watchung Conference* by winning the *Title for the 5th year in a row.* Later in the season, the Lady Cards captured the *Union County Tournament for the 3rd year.* For the *second time,* the team has entered the State Sectional Finals.

The 1980-81 Cardinal Team was led by seniors Dee Payne, Tyraina Myers and Sharon Banks. Juniors — Sandy Chambers, Shielda Smith and Crystal Reid along with Freshman Dana Williams helped to make this another exciting season. The Lady Cards enter the *State Playoffs with a 23 win and 1 loss record* and have high hopes of winning its first State Title.

Although the P.H.S. Cardinals had a record of 11 wins in 22 outings, this in no way reflects the team's capability. Giving Camden, the top-ranked team in the state, their toughest win of the season (59-52) and going against such strong teams as Union, Linden and Elizabeth, tells the story of the 11-11 record.

Under the leadership of seniors Bernard Blake, Michael Reves and William Morris, the young Cards carried eight juniors and three sophomores. The Cardinals had a very rough season this year. The team carried 8-10 people to each meet, allowing one person per event. An average team has 30 people. The 200 meter individual medley team, consisting of underclassmen Howard Foster (backstroke), Ron Williams (breaststroke), Co-Captain Felicia Fuentes (butterfly), and Steven Sawyer (freestyle) was the winningest team for the Sharks.

COACHE'S CORNER

Senior Co-Captain David Sterling was outstanding in diving, placing third in the New Brunswick Invitational and eleventh in the county. Other seniors on the team were Ken Burns, Wanza Collier, Debbie Brown, and Bridget Flood. IN APPRECIATION

This page is dedicated to Mrs. Cynthia King Hall. After working long hours as Advisor to three Yearbook staffs, she has decided to retire from the business to devote more time to teaching and her family. We, the "81 Of a Kind" Milestone Staff would like to express our deep appreciation for her dedication, even when hospitalized, to this masterpiece of Journalism. We hope that Mr. Sidney Mace and Mr. John Turner can follow in her footsteps as our new advisors.
